Biologique Recherche is an award winning, highly results-driven brand, made in France, whose methodology is to treat each person's skin in a personally tailored and unique way.

"A Treatment Methodology Based on Customisation"

Diagnosis

An in-depth skin diagnosis is a key part of the Biologique Recherche protocol, so we can personalise the facial treatments according to each Skin Instant©.

*The Skin Instant©: Biologique Recherche "out-of-the-box" vision of the skin:
We have not only one, but several skins.*

Our skin's condition changes numerous times throughout the day and everyone's personal Skin Instant© evolves dramatically during the course of our lifetimes. Biologique Recherche professionals are trained to analyse all these variables and advise guests on the treatment that is best suited to their particular Skin Instants©.

SKIN INSTANT© LAB

20 Minutes

The Skin Instant© Lab consists of five sensors (measuring hydration, trans-epidermal water loss, elasticity, pigmentation and sebum levels) linked to a computer with an exclusive diagnostic analysis software programme developed by Biologique Recherche. Based on expert dermo-cosmetic analysis and objective measurements, the Skin Instant© Lab retrieves data from our knowledge bank to offer a selection of products and treatments perfectly matched to your Skin Instant© needs. A truly customised experience.

Facial Treatments

The synergy of natural botanicals with a high concentration of active ingredients and a personal skin analysis enables treatments to be customised to achieve visibly defined and glowing skin.

REVIVAL AND REJUVENATION TREATMENT

4,580 / 90 Minutes

Developed by Biologique Recherche, this revolutionary treatment is renowned for its exceptional restorative effects. Utilising advanced electrospinning technology, it transforms pure serum into an ultra-thin mask—akin to a true second skin—infused with up to 80% hyaluronic acid. This innovative mask adheres perfectly to damaged skin, promoting profound serum penetration for results comparable to traditional fillers. Precisely targeting fine lines and enlarged pores while accelerating wound healing, it bestows a flawlessly plump and rejuvenated complexion.

OXYGENATING AND ENERGISING TREATMENT

1,700 / 75 Minutes

2,380 / 90 Minutes

Harnessing Biologique Recherche's products with exclusive Oxygenating Complex and cutting-edge anti-pollution actives, this treatment utilises the brand's innovative Remodeling Machine to revive the skin's natural respiration.

By stimulating protein synthesis and cellular metabolism, it delivers deep oxygenation and superior detoxification, effectively purging impurities to reveal a visibly even, radiant complexion.

BIOLOGIQUE RECHERCHE BESPOKE SIGNATURE TREATMENT

1,700 / 75 Minutes

2,380 / 90 Minutes

This treatment is specially designed for guests experiencing Biologique Recherche for the first time, offering a captivating introduction to the brand's extraordinary skincare philosophy. The session begins with a thorough skin analysis by our therapists, who will curate a bespoke regimen using the brand's signature highly actives, concentrated ingredients. Experience an immediate transformation that leaves your skin revitalised and bathed in a luminous glow.

MODULE EYE CONTOUR

600 / 30 Minutes

Restorative, Soothing, Brightening

For a youthful appearance of the eye contour

This specific eye contour treatment will instantly illuminate and soothe the eye contour area, with radiant results targeting wrinkles and dark circles.

*Biologique Recherche facials do not include steam and extractions.
