FOR THE FACE

Pro-aging

90 Minutes

Mediterranean Pro-Ageing Ritual

REGENERATING, LIFTING, FIRMING

This intensive reconditioning treatment is ideal for mature, dehydrated, devitalized skin. Ultra-hydrating, lipid-replenishing, protective and restorative, this facial treatment visibly repairs, restructures and restores the epidermis, while delivering essential nutrients and vitamins to accelerate the skin's natural repair functions. Lifting and drainage massage techniques firm, tone, and brighten skin and boost the repair of damaged skin. The result is face, neck and décolleté that are plumped, toned, smooth, and radiant.

Moisturizing

75 Minutes

Mediterranean Hydrating Ritual

PLUMPING, HYDRATING, SMOOTHING

This treatment heals and hydrates the skin while stimulating and rejuvenating skin cells. Exfoliation smooths skin in order to remove barriers that prevent proper absorption of active ingredients and nutrients. It stimulates the deeper layers of cells and tissue in order to boost collagen, elastin, cell generation, and water levels, while encouraging blood flow to the skin. The treatment reduces the appearance of fine lines and wrinkles, evens out skin tone, smooths and plumps the skin, and restores a healthy glow.

Brightening

75 Minutes

Mediterranean Polishing Ritual

RESURFACING, UNIFORMING, BRIGHTENING

This brightening treatment is designed for skin that is suffering from surface imperfections. Targeting hyper-pigmentation, acne scars, dark spots and discoloration caused by sun damage. It evens out skin's complexion using powerful antioxidants such as Vitamin C and boosting cell-turnover. The treatment involves a combination of masks, enzyme peels, and acid treatments to remove the build-up of dead skin cells. The result is radiant and glowing skin.

Purifying

75 Minutes

Mediterranean Purifying Ritual

DECONGESTING, CLARIFYING, HEALING

A treatment that first detoxes and purifies the skin, and then balances, nourishes and heals it. This decongesting treatment deeply cleanses dull, clogged skin, removing impurities, oils and toxins that have become embedded within pores due to excess sebum, sweat, and exposure to polluted environments. After this treatment, bumpy, rough, dull skin is clarified, smoothed and polished, revealing an even texture and a healthy, bright tone.

Eye-contour

30 Minutes

Mediterranean Eye Contour Refreshing Ritual

DEPUFFING, SMOOTHING, BRIGHTENING

This innovative treatment targets the delicate and fragile eye contour in order to decongest, hydrate, smooth, and brighten. It combines the stimulation of energy points and a gentle draining massage created specifically for this delicate area, with the application of our R4 serum rich in Hyaluronic Acid and active ingredients from Mediterranean plants. It eliminates puffiness, dark circles, under-eye bags, wrinkles and fine lines, and the result is bright, regenerated eyes.

FOR THE BODY

Formulated exclusively for Palazzo Versace Macau

Hammam with relaxing massage + essential oils treatment Mediterranean Hammam Ritual

60 / 90 Minutes

PURIFYING, REGENERATING, REINVIGORATING

A revisited "Italian" version of the classic Turkish Hammam. Savonage is replaced with Mediterranean black soap and, instead of using a Kessa, Mediterranean Sea salt and crushed olive seeds exfoliate skin. An exclusive elixir formulated with organic Mediterranean herbs and plants smooths and nourishes skin.

Sculpting / Toning with sculpting massage Mediterranean Sculpting Rituals

90 Minutes

SLIMMING, REDEFINING, FIRMING

Targeted sculpting treatments to restore skin firmness, elasticity and redefine the body contour. These rituals address cellulite and water-retention, leaving skin toned and supple. Sea salt scrubs enriched with Mediterranean medicinal plant essential oils perform full-body exfoliation that is both nourishing and renewing, and prepares the skin for further treatment. A neck, shoulder, and body massage increases micro-circulation, drains swollen or bloated lymph nodes, boosts blood flow and flushes out the fluids that make cellulite more noticeable.

Mediterranean Toning Ritual

60 minutes

FIRMING, ELASTICIZING

A powerful blend of massage and detoxifying products targeted to tighten skin and restore firmness and elasticity. It fights skin sagging and loss of tissue density, thanks to the application of products containing active principles that stimulate the formation of new elastic fibers, helping to prevent skin aging.

Mediterranean Glowing Ritual

60 Minutes

ILLUMINATING, NOURISHING

This treatment will give your whole body a healthy glow and leave your skin feeling silky, smooth and rejuvenated. After a Mediterranean olive oil scrub enriched with a signature blend of herbal extracts from Southern Italy, the body is enveloped in a reinvigorating and detoxifying Juniper & Rosemary mud pack, then wrapped with cellophane to soften, smooth, and brighten the skin. While the mud pack is working, a stimulating face massage, focusing on the energy points of the face, reactivates blood circulation and improves oxygen flow to the tissues. Our signature Mediterranean essence cream, massaged into the skin, leaves skin silky smooth and radiant.

Mediterranean Rapid Restore Ritual

30 Minutes

HYDRATING, RELAXING

The ultimate combination of a relaxing massage and skin-reviving exfoliation, this hydrating, relaxing, and revitalizing body treatment works quickly to restore harmony both physically and mentally. An invigorating scrub polishes rough, dry skin and leaves it smooth and glowing, then a medicinal Mediterranean body cream softens skin, seals in moisture, and leaves you silky smooth. Long-lasting hydration is locked in thanks to a massage with a rich olive oil of basil and thyme extracts.
